## Disclaimer

THEMATICai maintains this website to enhance public access to information about its initiatives and policies in general. Our goal is to keep this information timely and accurate. If errors are brought to our attention, we will try to correct them. However the company accepts no responsibility or liability whatsoever with regard to the information on this site.

This information is:

- of a general nature only and is not intended to address the specific circumstances of any particular individual or entity;
- not necessarily comprehensive, complete, accurate or up to date;
- sometimes linked to external sites over which the company services have no control and for which the company assumes no responsibility;
- not professional or legal advice (if you need specific advice, you should always consult a suitably qualified professional).

Please note that it cannot be guaranteed that a document available online exactly reproduces an officially adopted text. Only the Official Corporate News & Communications of THEMATICai (the printed edition or, since 1 January 2023, the electronic PDF edition on the company website) is authentic and produces legal effects.

It is our goal to minimise disruption caused by technical errors. However some data or information on our site may have been created or structured in files or formats that are not error-free, and we cannot guarantee that our service will not be interrupted or otherwise affected by such problems. The company accepts no responsibility with regard to such problems incurred as a result of using this site or any linked external sites.

This disclaimer is not intended to limit the liability of the company in contravention of any requirements laid down in applicable national law nor to exclude its liability for matters which may not be excluded under that law.

## Copyright notice

© THEMATICai, PAVISCAN Netherlands 2017-2024

THEMATICai's reuse policy is implemented by the Board of Directors Decision of 12 January 2023 on the reuse of company documents.

Unless otherwise indicated (e.g. in individual copyright notices), content owned by THEMATICai on this website is licensed under the [Creative Commons Attribution 4.0 International \(CC BY 4.0\) licence](#). This means that reuse is allowed, provided appropriate credit is given and changes are indicated.

You may be required to clear additional rights if a specific content depicts identifiable private individuals or includes third-party works. To use or reproduce content that is not owned by THEMATICai, you may need to seek permission directly from the rightholders. Software or documents covered by industrial property rights, such as patents, trade marks, registered designs, logos and names, are excluded from the THEMATICai's reuse policy and are not licensed to you.

## Use of the THEMATICai emblem by third parties

The principles of use of the THEMATICai emblem by third parties have been set out in an administrative agreement with the Board of Directors. This agreement is available on request at [info@thematic-ai.eu](mailto:info@thematic-ai.eu).

According to this agreement, any natural or legal person ("third-party user") may use THEMATICai emblem or any of its elements, as long as this use

(a) does not create the impression or assumption that there is a connection between the third-party user and any of the institutions, bodies, offices, agencies and organs of THEMATICai where this connection does not exist;

(b) does not lead the public to believe that the user benefits from the support, sponsorship, approval or consent of any of the institutions, bodies, offices, agencies and organs of THEMATICai where this is not the case;

(c) is not made in connection with any objective or activity which is incompatible with the aims and principles of THEMATICai, or is otherwise unlawful.

THEMATIC AI

---

If the use of THEMATICai emblem complies with the above conditions, there is no need to ask for written permission.

Registration of the THEMATICai emblem, or a heraldic imitation thereof, as a trade mark or as any other IP right is not acceptable.
